## RECOMMENDATIONS

### AMBIKA VASUDEV

Director of Duende Education

Lakshay your consistent effort towards your passion and goal is exceptional. Your ability to take up new challenges and successfully executing it is extraordinary. Not only this you are such a humble and beautiful human being inside out :)

You are an ambassador for Duende Education, an inspiration for other students. Sky is the limit. Keep going :)

### DEVINA NIGAM

Google Certified Educator

Lakshay is an exceptionally motivated learner, who has a potential to identify problems around him and create solutions .He was a delight for the teacher and an asset for school.

Lakshay volunteered to lead projects which made a marked difference to the learning process of entire student community. One of them was an innovative Digital Election platform for team leaders of school. It was entirely his vision which introduced students to a technology which saved time and paper.

Lakshay is grounded and intelligent, empathetic and meticulous. He is capable of setting clear goals and has skill to achieve.
