Public Talks

- Panel Discussion : AI in tech @ Every-ai
- AI Unleashed @ Every-ai
- Generative AI with GANS @ Mathworks
- ML in Micro-controllers @ ThoughtWorks.
- Drones and A.I. @ iotshows.in by EFY.
- ML Packages @ Microsoft Reactor
- Edge Computing @ OpsTree.
- CV in Drones @ Microsoft Reactor

Tech Skills

- Java
- Python
- Data Analytics
- Machine Learning
- Computer Vision
- Django/Flask
- HTML/CSS/JS
- Android Development

Authored

- From Data to World : 5 Real World secrets with data science

Certificates

- Python for Data Science by IBM.
- Machine Learning with Python by Open P-Tech.
- Data Analysis with Python by Cognitive Classes.
- Microsoft AI Classroom Series

Data-driven tech enthusiast and student ambassador at Microsoft. As a Project Manager at Atria Foundation, I'm launching projects to make quality education accessible. Authored 'From Data to World' and delivered tech talks for the meetup events held at Microsoft Reactor, ThoughtWorks, and more. Passionate about Python development and community contribution through open-source packages and public speaking.

Education

Nov 2021 - Present	**B. Tech in Digital Transformation**	- Atria University, Banglore
Apr 2020 - Jul 2021	**Class XII, ISC (Grade - 91.2%)**	- Jiva Public School
Mar 2018 - Jul 2019	**Class X, ICSE (Grade - 87.6%)**	- Jiva Public School
